

Amendment 1
Broadband, Equity, Access, and Deployment (BEAD)
Non-Deployment Response Support
RFQ No. 2026-MBI-08
Posted April 24, 2026

1. Section 3.1 (Application and Submission Instructions) of the BEAD Non-Deployment Response Support RFQ No. 2026-MBI-08 is modified such that the fourth sub-bullet under “Application, which shall include:” in subsection (b) of section 3.1 is deleted and is replaced by the following:
 - o Provide the proposed hourly rates for each team member or position assigned to the project, as well as any other appropriate costs, in the Budget Template (Attachment C). Costs should be delineated for each team member and subcontractor that is expected to participate in the scope of work. MassTech expects to reimburse any Respondent chosen to execute the described scope of work on a milestone deliverable basis.
